

Applicant: Ozluturk et al.
Application No.: 10/713,613

REMARKS

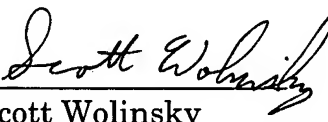

The Applicants elect species VIII (claims 12, 13, 36, 37, 49 and 50) without traverse in response to the Examiner's restriction requirement under 35 U.S.C. 121. Species VIII is directed to an analog-to-digital control circuit. Thus, after the foregoing amendments, claims 1, 12-14, 25, 36-38, 49 and 50 are pending in this application. Claims 2-11, 15-24, 26-35 and 39-48 have been canceled without prejudice or disclaimer. Furthermore, claims 12, 13, 36, 37, 49 and 50 were amended to correct minor typographical errors therein. The Applicants submit that no new matter has been introduced into the application by these amendments.

The Applicants reserve the right to pursue the claims associated with the other species I-VII in one or more divisional applications.

In view of the foregoing amendments and remarks, the Applicants respectfully submit that the present application, including claims 1, 12-14, 25, 36-38, 49 and 50, is in condition for allowance and a notice to that effect is respectfully requested.

Respectfully submitted,

Ozluturk et al.
